

## 3T Training Completion Form

### Part I: Trainee's Acknowledgment

I hereby certify that I, \_\_\_\_\_, have completed the safety training requirements (CMRR Safety Training, University of Minnesota campus-wide Lab Safety and Hazardous Waste training, SAFE Magnet program, and CPR certification) prior to beginning training on operation of the 3T magnet. The training I received at the 3T covered the following topics:

- Recruiting of volunteers/subjects
- Informed Consent process
- Safety screening of subjects
- Subject comfort in the scanner
- Safe operation and emergency procedures in the scanner room
- Basic imaging protocols and working on the Syngo platform

I understand that I am responsible for operating the magnet in a safe and ethical manner, and my trainer bears no responsibility for my future work on the scanner. I understand that I human subjects can only be scanned under an IRB-approved protocol, and that I must obtain informed consent from every subject.
